**Table notes**

Although the headline ranking figures show changes in the data year to year, the pattern of clustering among the schools is equally significant. Some 365 points separate the top school, Duke Corporate Education, from the school ranked number 65. The top 15 business schools, from Duke CE to Babson Executive Education, form the top group of custom providers. The second group is lead by UNC:Kenan-Flagler and the third by York University:Schulich. The top and bottom schools in the second group are separated by 92 points; in the third group there is a 183 point gap between top and bottom.
